

RESULTS OF THE ROBOFEST 2023

SCHOOL CATEGORY LEVEL 1

We are pleased to inform you that the judge panel has decided to select an additional two teams for the final round.

Please note that initially, 32 teams were selected to represent the final round, but due to time restrictions, the Organizing Committee has decided to limit it to 30 teams. After careful consideration, the committee has decided to allow all 32 teams to participate in the final round.

A detailed list will be mailed to the finalist teams. Please find the updated finalist list for the Robofest 2023 School Category.
